The Multi-Purpose Mat is made out of supple and shock absorbing foam, covered with elastic jersey. The mat adapts to virtually any piece of equipment, (male or female) due to its ability to form around different shapes. The bottom contains a non-slip grip for security and safety.

USES AND BENEFITS

- Secure non-slip bottom making it the go to mat on any apparatus.
- Lightweight and easy to move.
- Easily transportable by athletes and coaches to and from the gym and meets.
- Can be properly and safely stored in a carrying bag (sold separately).
- Can be used as a sting mat or entry mat.
- Bright color makes it visible for athletes to spot while training skills.
